

Nolan's Brick Oven Bistro & Pub Catering

Thank you for choosing Nolan's Brick Oven Bistro & Pub to cater your special occasion! Great tasting food that is reasonably priced along with outrageously good service is what you can expect when you allow us to Cater Your Special Occasion!

Browse over our **Menu Packet** to find what suits your particular event. We are more than happy to help you put together a menu--just give us an idea of what you would like for you and your guests and what budget you have in mind.

Events will be held in the Pub (and Patio late spring through fall).
There is no room fee.
Reserve your date early.

You should be finalizing your menu and bar choices at least 2 weeks prior to your event. Of course, that can be done sooner or as soon as you have your RSVP's back. We do ask that you make a 25% deposit on your anticipated menu 2 weeks prior to your event.

If you would like to rent linens and/or napkins for your event, we will need at least 2 weeks to place the order with the linen company. You will be billed the same cost that we incur.

If you would like to decorate for your event, we can arrange a time the day of the event once the tables are in position.

We ask that you make final payment at the end of your event. 9% NH Room & Meals tax and 20% gratuity will be added to the final check for food and beverage. We accept cash, check, American Express, VISA, MasterCard, or Discover.
